RENOVATIONS/INTERIORS

INTECH has built a strong resumé of Renovations and Interiors projects, particularly in the areas of Healthcare, Corporate, Academic, and Retail. The INTECH team has the experience and skills to work effectively with a wide range of clients, designers, suppliers, and subcontractors. Whether large or small, we approach all of our projects with a promise to deliver the highest quality project by the committed date. When INTECH makes a commitment to schedule and budget, our customers can depend on that commitment.

The following is a representative sampling of our recent fit-out work across various markets.
